<sup>\*</sup> Commissions for Payments in other Currencies that are expressed in ALL will be effectuated only if the currency is different from the above currencies or in case the customer wants to proceed the transaction from his Account in ALL with a conversion.

<sup>\*\*</sup> The customers will benefit preferential commission as per terms and conditions specified in the packages they have chosen for Direct Debit utility bill payments, Non cash within RBAL payments & Payments for the tax offices. For Direct Debit Utility bill payments, the client should make sure to have sufficient funds on account during all working day on day selected for payment or following days.

<sup>\*\*\*</sup> The customer will not pay commissions for the service, but will pay commissions as per bank's terms and conditions for each payment processed. The client should make sure to have sufficient fund (amount + commission) at the end of previous day selected for payment.

<sup>~</sup> This commission will be applied for every Coin - Fold (50 Coins) in LCY and FCY deposited by the customer. This commission will be added to actual commission specified above for cash deposit.

<sup>^</sup> Commission for IBAN missing will be applied for Outgoing Payments in FCY different from EUR in cases when the sender could not provide the IBAN code of the beneficiary. Every other commission requested from Correspondent Bank for processing these payments will be debited from customer's account.

<sup>^^</sup> One time fee on service subscription

<sup>\*</sup> Commission value refer only to the request for payment reverse. Other commission from correspondent/final bank for payment reverse will be held from transfert amount

<sup>\*\*</sup> Commission value include commission from correspondend / final bank
