9-Courier	actual cost
Line of the Letter of Credit	
Administration Fee	1% Negotiable
Usage Fee	3% Negotiable

Notes: 1. If not otherwise stipulated in the Agreement on opening a Letter of Credit, these fees are charged to the client's account immediately as they arise. Paid charges may not be refunded.

2. This charge will be applied upfront in case of applicants that are Public Institutions, for all other customers this charge shall be applied per each payment on the date of payment execution.

3. 0.05% of the outstanding amount of LC will be applied in addition to EUR 50,00 only if in the moment of amendment request the LC is shorter than one year and after the amendment the validity exceeds one year from date of issuance.

4. The recipient of a Letter of Credit is charged for each set of documents with discrepancies that does not conform the L/C terms.

5. This charge is applied when the LC expires unutilized. Unutilized amount of L/C is returned to the Client's Account and the charge is calculated on the unutilized amount.

6. The bank charges this fee if a client refuses immediate payment of the documents due to discrepancies or if the client has not instructed the bank to send them back to the sender.

7. This is applied based on the agreement between applicants and beneficiary and also based on article 37c UCP 600.

A bank instructing another bank to perform services is liable for any commissions, fees, costs or expenses ("charges") incurred by that bank in connection with its instructions. If a credit states that charges are for the account of the beneficiary and charges cannot be collected or deducted from proceeds, the issuing bank remains liable for payment of charges. A credit or amendment should not stipulate that the advising to a beneficiary is conditional upon the receipt by the advising bank or second advising bank of its charges.

8. This charge will be applied in case of LC issuance, amendment, cancellation and payment.

Commissions are nominated in EUR and will be calculated in the respective currency applying the mid-rate of Raiffeisen Bank Sh.a on the date that is applied.
